

# JANE DOHERTY

---

## IN THE NEWS

---

“Paranormal prober Jane Doherty examines moving specks of light on security camera images from Liquid Assets strip club in South Plainfield, NJ. “I’ve been in the field for 20 years now and this is to me without a doubt a ghost,” self-described ‘ghost buster’ Jane Doherty said .”

— New York Post

“This place has got to be the only haunted go-go bar in North America,” Jane Doherty said, a New Jersey psychic, para-psychologist and ghost hunter.”

— Newark Star Ledger

“Jane Doherty is a well-respected psychic.”

— Woman’s Own

“When there’s something strange in the neighborhood, who ya gonna call? Jane Doherty, a real-life ghost buster! The divorced mom of two travels all over the nation communicate with spirits, and send them packing.”

— National Examiner

“Famed psychic Jane Doherty says psychic flashes happen fast and if we trust them, they’re almost always right.”

— The Sun

“Sudden intuitions generally arrive in a quick flash from the subconscious and depart just as suddenly, leaving you with a strong impression that is usually correct,” professional psychic Jane Doherty said. ‘But it’s important not to overanalyze these impressions, or you’ll lose touch with them.’”

— Woman’s World

“Expressive and flamboyant, Jane perfectly accentuates her amazing abilities with her most unique talent: her stomach inexplicitly and quite noticeably expands in the presence of paranormal activity.”

— TLC television

“Jane Doherty swallows ghosts. In the course of a séance she will take on the kind of spirits that should be chewed up and spat out. That treatment would be counter-productive, since the ghosts could remain to torment the living. So rather than spitting, she exhales and wafts them along to the other side.”

— NJ Skylands Magazine

“Doherty’s book (*Awakening the Mystic Gift*) is not only a textbook on mysticism but also a take-to-bed thriller.”

— Bookwire Review

“The real charm of this book is the intimate manner in which it is told.”

— ForeWord

“Jane helps the reader find his or her own center to better listen to the internal energy we each have. Her strong sense of spirituality as it relates to psychic ability makes this book a refreshing, unique, must-read.”

— Melanie Rigney, Magazine Editor for Writer’s Digest
